Dear Mark, Peter, Burke, Brian and Jim:

On behalf of the Neighbourhood Network team, I wish to thank you for your generous contribution to our second annual Volunteer Recognition BBQ.

Your choice of music and enthusiastic performance helped make the event a great success! We received a number of positive comments on how much people enjoyed the musical entertainment you provided.

Building better communities together was the theme of the evening's celebration, and thanks to the contributions from people such as you and hundreds of other Neighbourhood Network volunteers and supporters, we are making a tangible difference in our community!

Best regards,
